Beginner & Intermediate

In all of our camps we recap the basics in a group setting and then give individual attention to all players. Whether they are Beginners, Intermediate, Novice or Advanced, they will get the attention they need to succeed. We do try to sign up players by ages, but it is not necessary.

Novice

These players need some instruction on and off of the course. They are now ready for the course on their own. This group has its own curriculum and also shares it with the advanced players. (see next page)

Advanced

Now they are ready for the whole course and advanced lessons with a little competition sprinkled in. This group has its own curriculum, dates and times that are an expansion of the Novice program. It is a full summer of golf. (see next page)

Advanced – Season Improvement

This is for the player that is ready to go onto the course with a little bit of competition. Whether you are trying to make the team or advance as a young player, this program is fit for you. The program starts in the late spring on Saturdays with instruction, transfers to the course to play nine holes every Tuesday morning throughout the summer. This program includes all range balls during lessons, an e-Range key fob for range balls (\$125 value) to use anytime throughout the season and a Junior Full Season Pass (\$250 value) to play unlimited golf anytime. Series concludes with a fun play day against the Pro on July 23rd.
